Requirements

All applicants must

Scholarships

This application is for scholarships that are provided through the Mabel and Lawrence S. Cooke Scholarship Endowment, the Elks National Foundation, and the National Eagle Scout Scholarship Fund. Following is a brief outline of each scholarship and its requirements.

Mabel and Lawrence S. Cooke Scholarships

These scholarships were established by Lawrence S. Cooke in memory of his late wife, Mabel Cooke. One scholarship of up to \$48,000 (up to \$12,000 per year) and four \$20,000 scholarships (\$5,000 a year for four years) are given annually. The Eagle Scout offered a scholarship must agree to the following conditions before accepting it.

- During the life of the scholarship, you will register and maintain status as a full-time student at the college/university you select.
- Through your college/university, you will provide NESA with verification of your status as a full-time student. (Work co-op programs are not an acceptable means of meeting full-time-student status.)
- All funds are paid directly to your college/university for tuition, room, board, and books for only so long as you remain a full-time student during the life of the scholarship, which is four consecutive years.
- 4. The scholarship is limited to use at a four-year college/university that is accredited by recognized accreditation agencies and offers at least a bachelor's degree upon completion of the course of study offered.
- 5. The scholarship is not available to students attending any of the United States of America military academies, because at these academies, expenses covered by NESA scholarships are already paid by the United States government.
- The scholarship is paid in four installments covering one year each. Payment will be made by NESA upon receipt of an itemized bill from your college/university.

7. To maintain the scholarship, you must maintain a GPA that places you in the upper third of your class. Your college/university must furnish confirmation of this status.

Elks National Foundation Scholarships

Four scholarships of \$8,000 (\$2,000 per year) and four scholarships of \$4,000 (\$1,000 per year) are given annually. These scholarships are awarded by the NESA selection committee and forwarded to the Elks National Foundation. Funds are distributed through the Elks National Foundation based on its own criteria.

National Eagle Scout Scholarship Fund

Scholarships provided vary each year, depending on the funds available. The Eagle Scout offered the scholarship must agree to the following conditions before accepting it.

- NESA pays all funds directly to your college/university once NESA has received a payment form that you have filled out.
- These funds are for tuition, room, board, and books for only so long as you remain a full-time student during the life of the scholarship.
- Funds are distributed based on your college/university's guidelines. Any variation on these guidelines is between you and the college/university. NESA will not be involved with distribution of funds other than payment to the school.
- 4. The scholarship is limited to use at a four-year college/university that is accredited by recognized accreditation agencies and offers at least a bachelor's degree upon completion of the course of study offered.
